

	<b>Name</b>	Leili Borimnejad
	<b>Position</b>	Professor of Nursing Education
	<b>Department</b>	Pediatric and neonatal Nursing
	<b>Telephone</b>	+9809125029548
	<b>Email</b>	l.borimnejad@gmail.com

## Education

1. **Ph.D** Nursing Education Tehran University of Medical Sciences, Tehran, Iran,
2. **Ms Elearning, Shahid Beheshti University of Medical Sciences**
3. Pediatric Nursing Ms , Tehran university of Medical Sciences , Tehran, Iran,
4. Nursing Bs, Kerman University Medical Sciences, Kerman, Iran

## Language Skills

### 1. English

Speaking: Good, Reading: Excellent, Writing: Good

## Experiences

### Scientific Position

1. Head of Nursing Care Research Centre
2. Member of research committee at Center for Educational Research in Medical Sciences (CERMS), Iran University of Medical Sciences (IUMS), 2017-present
3. **Deputy of education Nursing and midwifery school Iran University of Medical Sciences 2013-2017**
4. Head of pediatric Nursing Department **Nursing and midwifery school Tehran University of Medical Sciences 2009-2013**
5. .Member of research committee at Nursing Care Research center Iran University of Medical Sciences 2002-present

### PhD supervision

1. shahParast Fateme (2023) Design, implementation and evaluation of self-care program in adolescents with major thalassemia: A mixed method study
2. Salimi Neda (2023) the process of confrontation school personnel with neglect and domestic violence against children
3. Delfani Fateme (2020) The Live Experiences of mother with disable child follow burn.
4. Nima Pourgholam (2019) The Live Experiences of patients of Paternalistic behavior
5. Zahra sheikhalipour (2017) The experiences of organ recipients of the post-transplantation period: from boom to fall

6. **Shahla Shahbazi (2016)** Nurses' experiences of being a preceptor for new nurses: A hermeneutic phenomenological approach
  7. **Parvaneh vasli (2015)** Culture Of Care In Pediatric Intensive Care Unit: An Ethnographic Study
  8. **Marjan Mardani (2014)** Exploration the nurses lived experiences of palliative care in cancer patients
  9. **Zahra Tayebi (2013)** Rationales of restricted visiting hour in Iranian intensive care units: a qualitative study"
- PhD advisor**
10. **Lida nikfarid (2016)** Chronic sorrow in mothers of children with cancer

## Papers

### English

1. Evaluating Loss to Follow-up in Newborn Hearing Screening in central Iran  
N Ghavami, S Haghani, L Borimnejad ۲۰۲۲
