Name: Mehri

Family name: Bozorgnejad

Workplace address: nursing and midwifery university of Iran, Rashid Yasemi Street, upper the Vanak square, Valiasr Street, Tehran

Workplace telephone: 88885885-6

Mobile phone:

Workplace Fax: 88201978

Work e-mail address: bozorgnejad.m@iums.ac.ir

Personal e-mail address: mbozorgnejad@yahoo.com

Academic ranking: academic board Lecturer

Academic courses and qualifications:

Courses: Nursing bachelor degree- Tehran University of medical sciences

Master degree in nursing (surgical-internal nursing education) Tehran university of medical sciences (august, 1996)

ICDL computer course 2005

Short term introductory medical training (Tehran university of medical sciences) 2009

Elderly training course (Tehran university of welfare and rehabilitation) 2010

Academic Workshops:

- 1- Elementary workshop of Students tuition method, evaluation and planning - Medical Science University of Zanjan (1998)
- 2- Report writing basics workshop in nursing insisting on G.F.A and P.OR patterns - Medical Science University of Zanjan (1999)

- 3- Essay training workshop - Medical Science University of Iran (2000)
- 4- Research method workshop - Medical Science University of Iran (2000)
- 5- Training workshop of patient education - Medical Science University of Iran (2000)
- 6- Quality training and research workshop in nursing – teacher training university (2003)
- 7- Educational progress evaluation workshop - Medical Science University of Iran (2004)
- 8- Exam questions evaluation workshop - Medical Science University of Iran (2005)
- 9- Workshop of Simorgh software usage - Medical Science University of Iran (2005)
- 10- Resource management workshop - Medical Science University of Iran (2005)
- 11- Workshop of SPSS usage in statistical analysis - Medical Science University of Iran (2005)
- 12- Workshop of electronic publications usage - Medical Science University of Iran (2005)
- 13- Quality research method training workshop – Medical Science University of Iran (2005)
- 14- Lecture skills workshop - Medical Science University of Iran (2005)
- 15- Clinical problems workshop - Medical Science University of Iran (2005)
- 16- Ostomy workshop - Medical Science University of Iran (2006)
- 17- Critical thinking workshop - Medical Science University of Iran (2006)
- 18- HIV and tuberculosis diseases workshop – Medical Science University of Iran (2006)
- 19- Critical thinking skills workshop - Medical Science University of Iran (2007)
- 20- Lecture method skills workshop - Medical Science University of Iran (2007)
- 21- Essay workshop - Medical Science University of Iran (2007)
- 22- Elementary EBM workshop - Medical Science University of Iran (2007)

- 23- Search of Medical resources workshop - Medical Science University of Iran (2007)
- 24- Educational progress evaluation workshop - Medical Science University of Iran (2007)
- 25- Workshop of feedback presentation in clinical situation - Medical Science University of Iran (2007)
- 26- E-learning workshop - Medical Science University of Iran (2008)
- 27- Workshop of searching method in Digital Medical National Library - Medical Science University of Iran (2009)
- 28- OSCE workshop - Medical Science University of Iran (2010)
- 29- Wound species workshop, caring and dressing (lecturer) - Medical Science University of Tehran (2010)
- 30- Wound species workshop, caring and dressing (lecturer) - Medical Science University of Tehran (2011)
- 31- Diabetes workshop (lecturer) - Medical Science University of Tehran (2007)
- 32- Nursing in Iran workshop - Medical Science University of Tehran (2012)
- 33- Adults cardiac-pulmonary revival (CPR) workshop (lecturer) - Medical Science University of Tehran (2012)
- 34- Essay workshop - Medical Science University of Tehran (2012)
- 35- Educational advisory workshop specific for supervisor professor - Medical Science University of Tehran (2012)
- 36- Adults cardiac-pulmonary revival workshop (lecturer) - Medical Science University of Tehran (September 2012)
- 37- Wound species workshop, caring and dressing (lecturer) - Medical Science University of Tehran (2012)
- 38- Stomy workshop (lecturer) - Medical Science University of Tehran (2012)
- 39- Adults cardiac-pulmonary revival workshop (lecturer) - Medical Science University of Tehran (October 2012)
- 40- Client Tribute introduction workshop - Adults cardiac-pulmonary revival workshop (lecturer) - Medical Science University of Tehran (2012)
- 41- Adults cardiac-pulmonary revival workshop (lecturer) - Medical Science University of Tehran (November 2012)

- 42- Emergency nursing care in Asthma and Allergy workshop - Medical Science University of Tehran (2012)
- 43- New guideline in pediatric Asthma Management workshop - Medical Science University of Tehran (2012)
- 44- Psychological caring for clients with Asthma and Allergy workshop - Medical Science University of - Medical Science University of Tehran (2012)
- 45- Laugh, calmness and health workshop - Medical Science University of Tehran (2012)
- 46- Stomy workshop (lecturer) - Medical Science University of Tehran (2013)
- 47- Wound species workshop, caring and dressing (lecturer) - Medical Science University of Tehran (2013)
- 48- Ventilation workshop (lecturer), nursing and midwifery department of medical science university of Tehran (2013)
- 49- Wound and modern dressing workshop (lecturer), nursing and midwifery department of medical science university of Tehran (2013)
- 50- Music therapy workshop, nursing and midwifery department of medical science university of Tehran (2013)
- 51- Wound caring and modern dressing workshop (lecturer), nursing and midwifery department of medical science university of Iran (2013)
- 52- Standard axes of hospital accreditation workshop, nursing and midwifery department of medical science university of Iran (2014)
- 53- Laboratory results and nursing intervention (risk management training) (lecturer) nursing and midwifery department of medical science university of Iran (2013)
- 54- New clinical approaches workshop (lecturer); Nursing and Midwifery department of Medical Sciences University of Iran(2014)
- 55- Patients ' Safety workshop (lecturer) ;Nursing and Midwifery department of Medical Sciences University of Iran(2014)
- 56- Workshop of professors' knowledge enhancement with the subject of Islamic education and training (Mashhad)from Medical Sciences University of Iran(2014)

- 57- Nurse and patient 's experiments workshop (risk management training)(scientific secretary and lecturer) ; Nursing and Midwifery department of Medical Sciences University of Iran(2014)
- 58- Workshop of professors' knowledge enhancement with the subject of professional and scientific ethics; Medical Sciences University of Iran(2014)
- 59- Workshop of professors' knowledge enhancement with the subject of Islamic civilization(2); Medical Sciences University of Iran(2014)

- 64- Workshop of electronic resources advance training ,publisher :Elsevier (participant); Central library of Medical Sciences University of Iran
- 65- Professional Ethics workshop (participant) Medical Sciences University of Iran(Mashhad)(2014)
- 66- Safety transfusion workshop (lecturer); Nursing and Midwifery department of Medical Sciences University of Iran(2014)
- 67- Study of patients with abdominal surgery and nursing process workshop (lecturer); Nursing and Midwifery department of Medical Sciences University of Iran(2014)
- 68- Workshop of caring burn patient and burn injury (lecturer); Nursing and Midwifery department of Medical Sciences University of Iran(2014).

*Below different academic workshops and seminars where I have been as lecturer and participant.

Infection control in patients and hospitals. (2016-2019)

- 69- Nutrition in diabetic and nephropathy diabetic patients.
- 70- Safety standards of patients.
- 71- Patients with open wound of burn.
- 72- Wound care
- 73- Caring after death or moribund patients
- 74- Managing students internship and needle stick
- 75- Teaching methods in different clinical fields
- 76- Creative and critical thought among professors and students
- 77- Scientific and professional ethics
- 78- University of third generation
- 79- Consulting students and their creative entrepreneurship
- 80- Foreign policy of Islamic Republic
- 81- Blood transfusion and the fabrications
- 82- Error management
- 83- Nurse and patients self caring and self managing
- 84- Skills of effective communication
- 85- Nurse and lab. Tests and experiments
- 86- Life style and indirect education
- 87- Patients education
- 88- Political Economics
- 89- Professors-students and the communication
- 90- The study of the west world
- 91- Supporting professor in educational consulting
- 92- Attending several educational and research workshops as lecturer or participant on different subjects (nursing process, communication, reviewing educational and research sites and enhancing and empowering academic staffs' knowledge from March, ۲۰۱۷ to March, 2024.

Professional interests: teaching different nursing courses

Current professional membership:

1. Nursing education academic board member in Zanzan University of medical sciences (1999)

2. Iranian cardiac society (2001)
3. Member in midwifery and nursing cultural committee of medical sciences university of Iran from 2006 to 2010
4. Head of clinical skills center in nursing and midwifery department of medical sciences university of Iran (2008)
5. IEQM member of nursing and midwifery department of medical sciences university of Iran (2008)
6. In charge of sub criteria called midwifery and nursing department employers of medical sciences university of Iran (2008)
7. EDC administrative committee member in nursing and midwifery department of medical sciences university of Iran (2008)
8. In charge of clinical skills center in nursing and midwifery department of medical sciences university of Iran (2009)
9. Current academic ordination: academic board member of medical sciences university of Zanjan (1998-2000)
10. Academic board member of medical sciences university of Tehran from 2000 up to now.
11. Academic committee member of nursing education in Zanjan medical sciences university. 2000
12. Member in scientific board of nursing education in medical sciences university of Zanjan 2000
13. Member in cultural committee of midwifery and nursing department of medical sciences university of Iran 2005
14. In charge of subcriteria (IEQM) of nursing and midwifery department in medical sciences university of Iran 2008
15. Head of clinical skills center in nursing and midwifery department of medical sciences university of Iran (2009)
16. In charge of clinical skills center in nursing and midwifery department of medical sciences university of Iran 2010
17. EDC administrative committee member of medical sciences university of Iran (2008)
18. Member of research committee midwifery and nursing department of medical sciences university of Iran, from 2013 up to now.
19. In charge of “principles and technics of nursing skills” course, from 2014 up to now. (theory and practice)
- 20.- Member of monitoring board of hospitals
- 21.- Member of research council of the faculty
- 22.- Member of monitoring committee of hospitals in the nursing school (EDC) from oct.2019 up to oct.2022
