

## **CURRICULUM VITAE**

### **PERSONAL**

Name	Mohammad Abbasi
Gender	male
Date of birth (optional)	24/8/1976
Place of birth (optional)	Ardabil, Iran
Family status (optional)	Married
Address, work	School of Nursing & Midwifery Rashid Yasemi St., Valiasr St., Tehran, Iran. Postal Code (19964), PO Box 19395/4798
Phone, work	+982143651811
Phone, home	
E-mail address, official	
E-mail address, personal	Mohamad_abbasi55@yahoo.com

### **EDUCATION AND QUALIFICATIONS**

#### **University and/ or further education**

- Ph.D., Nursing, Iran University of Medical Sciences, 5/5/2014
- MSc in Nursing, Iran University of Medical Sciences, 9/2/2005
- BS in Nursing, Gillan University of Medical Sciences, 23/6/2001

#### **Language qualifications**

Turkish          Mother Tongue  
Farsi             Good  
English          Intermediate

### **PROFESSIONAL INTERESTS**

- Nursing management
- Patient education
- Chronic Disease Nursing
- Qualitative research

### **PROFESSIONAL MEMBERSHIPS**

- Iranian Nursing Organization
- Member of Iranian Cardiac Nurse Society

### **ACADEMIC APPOINTMENTS**

	Teaching different courses (Theory/practice) for BSc nursing students including Medical- surgical nursing, Fundamentals of nursing, Obstetrics& gynecology, Physical assessment, Teaching methods MS students Medical Surgical courses MS students	
--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

#### **Other pedagogical merits**

### **RESEARCH EXPERIENCE**

#### **Dissertation/thesis**

My Thesis

- Hypertensive patients their compliance and its relation to their health beliefs

	model (Ms Dissertation) 2005 - Experiences of Living with Coronary Artery Bypass Graft :A Phenomenological study 2014 (PhD Dissertation)
--	------------------------------------------------------------------------------------------------------------------------------------------------

**Supervised theses:**

- 1- Study the effect of training based on the James Brown model on the quality of nursing care among nurses working in the trauma department Imam Khomeini Medical Training Center in Ilam.
- 2- Assessment of patient's satisfaction with health care services in cardiac care units in Basrah City, Iraq 2023.
- 3- Comparative study of air and ground emergency time indicators based on standards in trauma patients transferred to Qom province in 2016
- 4- Determining the effect of SBAR communication on patient safety culture in the emergency department of Shahid Beheshti Hospital in Qom 2016
- 5- The effect of training program to deal with accidents and disasters on the rate of improving the professional competence of nurses in response to the crisis in Shahid Chamran Hospital in Saveh in 2017
- 6- Evaluation of factors related to readmission of patients after coronary artery bypass grafting in Shahid Beheshti Hospital in Qom
- 7- Evaluation of the consequences of delay in referring patients with acute myocardial infarction to Shahid Beheshti Hospital in Qom
- 8- Investigating the causes and consequences of leaving the hospital with personal consent in the emergency department of hospitals affiliated to Qom University of Medical Sciences per year
- 9- Investigation of individual factors related to motorcycle accidents and strategies to reduce it in patients referred to the emergency department of trauma hospitals in Qom
- 10- Study and comparison of the relationship between sleep quality and psychological well-being in medical students of Qom University of Medical Sciences
- 11- Explaining Patient Rights from the Perspective of the Clergy: A Qualitative Study
- 12- Assessing the readiness of the accident command system of Qom hospitals
