

CURRICULUM VITAE

PERSONAL

Name	Mansoureh Ashghali Farahani
Gender	Female
Date of birth (optional)	
Place of birth (optional)	
Family status (optional)	
Address, work	St., Vali-Asr Ave., Postal Code 1996713883
Phone, work	+98-43651607
Phone, home	
E-mail address, official	Farahani.ma@iums.ac.ir
E-mail address, personal	M_negar@yahoo.com

EDUCATION AND QUALIFICATIONS

University and/ or further education	
	<input type="checkbox"/> Ph.D, Nursing, Tarbiat Modarres, 2008 <input type="checkbox"/> MSc in Nursing education (Medical-Surgical), Shahid Beheshti University of Medical Sciences, 1996 <input type="checkbox"/> BS in Nursing, Shahid Beheshti University of Medical Sciences, 1992
Language qualifications	
	Persian (mother tongue) English (relatively competent)

PROFESSIONAL INTERESTS

	Qualitative Research and Quantitative Research Nursing Education Clinical education Cardiovascular Nursing Nursing education Nursing Management
--	----------------------------------------------------------------------------------------------------------------------------------------------------------------

PROFESSIONAL MEMBERSHIPS

	Member of the research committee of Medical surgical nursing department, School of Nursing and Midwifery, Iran University of Medical Sciences Member of Research committee of faculty of Nursing and Midwifery, Iran University of Medical Sciences Member of Faculty accreditation committee of faculty of Nursing and Midwifery, Iran University of Medical Sciences Member of the research committee of Nursing Care Research Center, Iran University of Medical Sciences Member of Iranian Cardiac Nurse Society Member of EACH Young Investigator Network
--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

ACADEMIC APPOINTMENTS

	Teaching different courses (Theory/practice) for BSc and MS nursing students including Medical- surgical nursing, Teaching methods MS students	
Other pedagogical merits		
	-	
<u>RESEARCH EXPERIENCE</u>		
Dissertation/thesis		
	<p>My Thesis: Designing and Evaluation of Patient Education Nursing Model in Coronary Artery Disease. 2008</p> <p>Supervised theses: The Relationship between Respiratory Indexes with the Consequences of Weaning from Mechanical Ventilator in CABG Patients in ShahidRajaei Hospita. 2011.
